

The background of the page is a dark, abstract composition featuring numerous diagonal streaks in shades of teal, green, and blue. These streaks vary in thickness and intensity, creating a sense of motion and depth. In the lower portion of the image, there is a detailed, high-angle view of a solar panel array. The panels are dark and rectangular, arranged in a grid pattern. They are mounted on a structure that appears to be a rooftop, with some white structural elements visible. The overall aesthetic is modern and technological, emphasizing the theme of solar energy.

Put aside the high power and efficiency as well as high bifaciality, TOPCon's excel in low irradiance performance stands it out in rooftop
